## Council office move is 'going smoothly'

BUT NEW BUILDING HAS ALREADY DEVELOPED LEAKS

THE move by staff into West Dorset's new district council offices in Dorchester is going "smoothly", according to the council leader - although the new £9 million building has already devel-

oped leaks.

"Water has come through the ceiling along the glass fronted, carpeted area along the South Walks side. Someone has

put plastic boxes to catch the drips, but the carpet in places is already wet and the rendering has come off the ceiling," said a View from Dorchester reader who spotted the problems while out walking.

"I also noticed that on the eastern end of the building - i.e. the opposite end from the library are some nicely set out meeting rooms. However, for anyone standing or sitting in the room "above their knees" is at the eye level of people walking by!"

"I hope I never have to attend a meeting there. They really need to line the

windows with a product that lets you see out but not in."

**On time**

West Dorset District Council Leader Cllr Robert Gould said: "The office moves have gone smoothly and on time. There has been a minor leak over the corridor to the main meeting rooms and contractors are on site sorting this out. Services to the public have not been affected."

Staff from the district council are still moving into the building, an operation which should be completed by the end of January.

Work is still underway on the new Dorchester Library and adult education centre which also forms part of the complex. Both

**MANAGER** of Nisa Charmouth Stores, Phil Tritton, is originally from a village near Rochester, in Kent.

He moved several times, mainly around the South East, before coming to Lyme Regis in 2004 with hopes of finding a local business to run. Phil and wife Carol found the village shop in February 2005 and have been running it since, now with the help of son Alex and soon-to-be daughter in law Maria.

Phil and Carol moved to Bridport just over a year ago but Phil is still an active member of the Charmouth Traders group. They are currently celebrating the arrival of their first grandson, Harry, who was born on December 30th.

#### ● HOW did you come to manage Charmouth Stores?

When I took early retirement in 2003 I looked for a shop and took over Charmouth Stores in February 2005. Just over a year ago my son Alex and his fiancee Maria took over day-to-day running of Charmouth Stores. I'm still heavily involved in the shop, managing the finances and store development, as well as covering for Alex and Maria when they go on holiday, so I am often in Charmouth.

#### ● WHAT do you enjoy about running the village shop?

The people. Charmouth is a traditional village and we see many of our customers every day. We also employ several youngsters and seeing them develop from shy 14 year olds to confident teenagers gives me a lot of pleasure.

#### ● WHY do you think it is important for people to shop local?

Charmouth village centre is the village hub where residents meet each other and, for some, it is an essential part of their lives – their daily visit to the shops may provide their only regular human contact. Take away the shops and pubs and Charmouth would be a shadow of what it is today – use them or lose them!

#### ● HOW does the Charmouth Traders group benefit the village?

The traders organise local events and work to improve the village. We currently run three events a year

and since we were formed three years ago we have paid for the Christmas lights (in the centre and on the lamp posts), set up the free parking scheme, contributed to the Parish Plan, donated surpluses to local causes and set up the village website ([www.charmouth.org](http://www.charmouth.org)) which attracted over 100,000 visitors in

2012.

#### ● DOES the traders group have any events planned for 2013?

We hope to run three events in 2013 – bonfire night, the Charmouth Christmas Fayre and a New Year's Eve event.

#### ● WHAT are your personal interests?

I enjoy playing golf badly, watching Arsenal and going to horse racing and cricket matches. Add visits to pubs and restaurants and I keep pretty busy!

#### ● WHAT do you enjoy about living in the area?

The nearness to the sea, the amazing local landscape and the lack of traffic, compared with south east England, where I have spent most of my life.

#### ● WHAT would add to or change about the area if you could?

I do not like the increasing number of second homes that are rarely occupied. If this trend continues and new homes are not built, Charmouth could become a ghost village as shops and pubs will close due lack of customers in the winter.

#### ● WHAT'S your New Year's resolution?

To be a good grandfather. My first grandson, Harry, was born on December 30th.

#### ● WHERE'S your ideal holiday destination and why?

We had a fantastic holiday in Turkey in October, which was ideal in that we enjoyed warm sunshine, good food, lots of historical sights and an interesting mix of cultures. Every year we also find time to visit parts of Britain as we really enjoy the incredible variety of places and scenery that Britain has to offer.

#### ● WHAT would you do if you won the Lottery?

Three priorities – family, travel and security. Helping family members, travelling to parts of the world that I have yet to visit and providing for a comfortable retirement would be perfect.

# Be alert to unfair trading in 2013

DORSET'S trading standards officers are predicting where consumer complaints about unfair trading will be coming from in 2013 – and suggesting advice to help. The service is urging consumers to use to the Citizens Advice consumer helpline for initial advice with problems.

Trading Standards officers say that in 2013 there is a good chance:

by Trevor Bevins  
trevorbevins@gmail.com

◆ You will be telephoned from someone trying to let them pursue a claim you have for payment protection insurance (PPI) – hang up. They have no idea if you have a claim. If you have been mis-sold PPI, you should deal

with it yourself by contacting your loan provider and avoid giving up a large slice of what you may be entitled to.

◆ You will be contacted via email by a 'scammer' trying to find out your bank details or wanting you to send money – just delete it and don't worry, as it is likely to be a random contact send to thousands of addresses.

◆ You will be 'cold called' at your home by someone selling something you don't need or at an excessive price – never deal with doorstep traders. Obtain an uninvited doorstep trader card and politely send them on their way. Go to [www.dorsetforyou.com/386846](http://www.dorsetforyou.com/386846) for details.

◆ You will need to get some work done to repair your home or maybe help a relative, or friend – find a trader you can trust. Check out the 'Buy with Confidence' trading standards approved traders scheme at [www.dorsetforyou.com/399764](http://www.dorsetforyou.com/399764).

◆ You will be sufficiently dissatisfied with some goods or services you have paid for that you will want to complain to Trading Standards – you can do this by calling the Citizens Advice consumer helpline on 08454 04 05 06 or visit [www.adviceguide.org.uk/england-consumer\\_e.htm](http://www.adviceguide.org.uk/england-consumer_e.htm). Citizens Advice is now the first point of contact for all trading standards complaints.

### Raising awareness

In 2012 used cars sold by independent garages continued to be by far the most common source of complaint, followed by car servicing by independent garages. Other purchases featuring in the 'most complained about' top ten were home insulation, beds, upholstered furniture, TVs, mobile phones and phone service contracts, personal computers and laptops, and general building work.

Ivan Hancock, trading standards service manager at Dorset County Council, said: "You don't need a crystal ball to predict what the main areas of concern will be for consumers in 2013. We can all help ourselves by being alert to the most common unfair trading tactics and most complained about purchases, and help avoid disappointment, worry or worse."

"By raising awareness I hope more Dorset residents will be able to deal with consumer problems more confidently, even if it is just knowing who to call or where to look for consumer advice."

"Anyone with a complaint about unfair or unsafe trading needs to call the Citizens Advice consumer service on 08454 04 05 06. This is our 'front door', and will provide immediate advice. Complaints about problem businesses or rogue traders requiring investigation are referred to the the trading standards service. We can then focus our proactive enforcement work on areas or traders causing the most difficulties."

## Flu jabs reminder

DORSET GPs are reminding people to get their flu jabs – not just to protect themselves but to protect other vulnerable people.

More information on flu and details of who is eligible for a free vaccination is available from the NHS Dorset website or by contacting your GP.

Those eligible for free vaccinations include people who are at risk of developing serious complications; those over 65 by the end of March 2013; pregnant women; residents in a long-stay residential care home or other long-stay care facility; those in receipt of a carer's allowance, or if you are a healthcare worker with direct patient contact or a social care worker.

■ **FROM PAGE ONE**  
of these should be open by Easter. Meanwhile the district council has still to sell its original offices in High West Street and adjoining buildings and car parks it owns in Glyde Path Road and Colliton Street. The council had banked on getting at least £3million for the site and has been forced to put it back on the market after the highest offer it received was less than £1.2million.

Critics say if the building is not sold it will become a burden on local council taxpayers although the district council claims it will still make long-term savings because the new building offers savings on energy and other running costs.

The future of the old council offices are expected to be finally decided at a meeting in February. The current plan is for part of the building will be retained to make the Tolpuddle Martyrs court into a more attractive tourist venue and to build a new Tourist Information Centre, attached to it.

## Awards for young champions

YOUNGSTERS in West Dorset are set to be hailed in an awards ceremony to showcase the work of young volunteers.

West Dorset District Council are launching the 'Chairman's Awards: Young Volunteer Champions' to recognise the voluntary work carried out by young people and youth groups in the area.

The organisers are seeking nominations in four categories:

- Junior Young Champion - an individual aged 12 years or under;
- Young Community Champion - an individual aged 13 to 18 years;
- Senior Young Champion - an individual aged 19 to 25 years;
- Youth Group Champion - any young people's voluntary or community group.

Nominations should be sent to West Dorset District Council by February 15th.

The awards ceremony will be held at South Walks House, Dorchester on March 15th where each Young Champion winner will receive a small cash prize and a framed certificate.

WDDC Community Development Officer Emma Scott said it was a chance to highlight the often-overlooked work young people do for their communities.

She said: "Young people are sometimes given a bad press and characterised as being lazy and selfish.

"I know from my own work with local young people that this is an unfair stereotype as many of them give up a great deal of time to help out in their communities - from running events and helping out on environmental projects to attending council meetings and running intergenerational activities."

She added: "We have already had several young people nominated and we are expecting lots more as we know there are many young people volunteering in West Dorset and we would really like to help recognise their contributions."

Gillian Summers, WDDC chairman said: "This is an

opportunity to nominate a young person or youth group who has really made a difference to their community and to celebrate all the work that they have done.

"We have already had several young people nominated and we are expecting lots more as we know there are many young people volunteering in West Dorset and we would really like to help recognise their contributions.

"If there is a young person or community group who voluntarily gives up their time and really makes a difference, then please nominate them."

Nomination forms are available at [www.dorsetforyou.com/young\\_champion](http://www.dorsetforyou.com/young_champion) or at WDDC's main offices, tourist information centres and town council offices.

## New cancer group being formed

A NEW group to support Cancer Research UK could be formed in Dorchester.

An initial informal meeting is being planned for the county town this Saturday, January 12th between 10am and noon at the Bryter Latte coffee bar at the bottom end of South Street.

Dorset Volunteer Manager for the charity, Ros Fry, is hoping the new group will set a £10,000 fund-raising target.

"Fundraising groups exist across Dorset as groups of likeminded, enthusiastic supporters fundraising in their communities. This is a great opportunity to meet new people and develop new skills- as well as raising money for a great cause. And it can be tailored to fit around your jobs and busy schedules.

"Examples of activities include: Cash collection, tennis tournament, golf days, dog walk, fun run, discos, raffle nights, auctions, pub quizzes, dinner parties,

luncheons, winter ball, card game nights, bingo events, tea parties, come dine with me events, sales at local fairs, regattas, tombolas, parties, gigs and Christmas fairs. But the exciting thing about starting a new group is that you get to decide how you fundraise based on what interests you.

"The new Dorchester group will have an ambitious £10k fundraising target and I will be on hand to support every step of the way. This may sound like a lot of money, however with events throughout the year, the amazing support of the public, and a little hard work we could easily hit our target.

"We also now have the ability to ring-fence funds to support clinical trials in Dorset for people or organisations who only want to raise money for local people."

*Ros can be contacted by email on [ros.fry@cancer.org.uk](mailto:ros.fry@cancer.org.uk) or by calling 01308 423805.*

## Princes Trust course helps to change young lives

DORSET Fire and Rescue Service's Princes Trust programme are looking for young adults to take part in the 100th Princes Trust programme at Weymouth Community Fire Station. The course is also open to people living in the Dorchester area.

The 12-week personal development programme, allows 16-25 year olds to undertake many different activities whilst they are working towards a nationally recognised award.

The participants, who come from a variety of different backgrounds, will have the opportunity to spend a week away at a residential activity centre, undertake a project based in their local community, complete a work placement and participate in a team challenge,

■ AIMING HIGH: Two previous Princes Trust team members – Will and Sophie

involving caring for others.

Dave Prior, who led the first DFRS Princes Trust programme and will lead this 100th team said: "The course is aimed at helping to change the lives of these young people. It gives them something to aim for and a better chance within the work-

force. We run courses throughout the year across Dorset, but the team in Weymouth will commence on Monday 28th January."

*Information about the course is available by calling 01305 753035 or looking at the Princes Trust website.*

*Stay away from the hospital if you've had the virus*

VISITORS to Dorset County Council who may have suffered a recent bout of "winter vomiting" are being asked to stay away.

The hospital infection control team has had to tackle fewer than ten cases of Norovirus at the hospital – but wants to keep it that way.

Staff are asking visitors who may have had the sickness not to visit for at least two days after being clear of the bug..

All visitors are being reminded of the need to use the alcohol hand washes at hospital entrances both before they enter and when they leave.

■ HAPPY BANKERS: HSBC staff celebrate their fund-raising £10,460 for the Weldmar Hospicecare Trust

## Bank raises £10,000 for hospice

SIXTEEN local HSBC branches have been supporting Weldmar Hospicecare as their chosen charity, raising over £10,000.

Their fundraising included taking part in Wacky Hair for Hospicecare, organising coffee and cake mornings, participating in 'South West's Got Talent', holding raffles in branch as well as selling Weldmar's Christmas Toys at their desks.

Other members of staff even took on the London Marathon and completed the three peaks challenge to boost their fundraising target.

Matt Smith, Fundraiser for Weldmar said: "We have been extremely lucky to have had such fantastic support from our local HSBC branches throughout the past 17 months and the money that they have raised is an

incredible amount and will help us towards raising much needed funds which enables us to continue providing our services."

Each branch went the extra mile to raise as much money as they possibly can for their local hospice. The total raised was announced when HSBC staff visited Joseph Weld Hospice in December 2012 - £10,460.14.

Jon Panton, Business Manager for Weldmar said "HSBC chose Weldmar Hospicecare as their charity partner at a regional meeting of all their staff, where a number of invited charities were asked to put a case forward for their respective charities. Weldmar were successful in their presentation. The region was very proactive in raising funds for Weldmar and for this we are extremely grateful".

# Support for Multiple Sclerosis service

by Trevor Bevins

trevorbevins@gmail.com

LOCAL MP Oliver Letwin has given his support to the continuation of an advice and support service for people with Multiple Sclerosis (MS) in South West Dorset.

The MS Society South West Dorset Branch, working in partnership with Dorchester and District Citizens Advice Bureau, provides an advice and information service for people with MS in the Dorchester, Weymouth, Portland and Bridport areas.

Through the scheme a dedicated CAB caseworker, Dan Wallis, is available to visit clients with MS at their home address. The service is free and confidential. Dan gives advice and support on a range of topics including help with claiming benefits including tribunal representation; debt; employment; housing and consumer problems with goods or services.

The service began in January 2011 and in the past two years has helped MS clients to receive over £300,000 per year in extra benefits. These have included Disability Living Allowance and Attendance Allowance.

Graham Watts, Branch Chairman of the MS Society South West Dorset Branch, said "This initiative is one of our success stories in our aim to improve the quality of life of all people affected by MS, including their carers and families."

The advice service works closely with the MS Specialist service based at Poole Hospital's Neurological Centre.

The MS Society has now decided to renew the contract with CAB so that the scheme will continue into 2013. Dan Wallis, the CAB caseworker, said: "This is great news and I'm looking forward to helping more people who are unfortunate enough to be affected by MS. One particular worry is that in 2013 the Disability Living Allowance is being replaced by a new benefit called the Personal Independence Payment. The new benefit has different rules and processes and I foresee that I'll have plenty of work sorting out people's concerns."

good to think that there are dozens and dozens of people in South West Dorset who have benefited from this service. It is also very good to know that this outreach service is now linked with specialist nursing. At last, we are beginning to see the various services linking up!"

The CAB caseworker service is available to anyone affected by MS and appointments can be arranged by contacting Dan Wallis on 01305 751514 or by emailing - admin@dorchester.cabnet.org.uk

# Volunteer librarians are facing an uphill struggle

VOLUNTEERS who are working to keep Puddletown Library open are being warned that they have a real fight on their hands.

"Not only have we amateur part-timers got to convince the people who come to borrow books or to seek information that we're as on the ball as the professionals we are replacing," says retired Anglican priest Roy Bennett, who has already been on duty with his wife Diana.

by Trevor Bevins  
[trevorbevins@gmail.com](mailto:trevorbevins@gmail.com)

"On top of that job we have the massive task of balancing the books.

"It's not just a matter of turning up and helping people to choose their books.

"We are confident we can make a success of the cultural side of the business. But today the Friends of Puddletown Library will have become the owners of this business and

with ownership comes the job of making sure we can pay the rent, keep the place warm and dry with the lights on.

"Like any business we must insure our volunteers against public liability. Finding the money to do all that's a big job and it is going to keep us on our toes."

Roy explained that the

Friends have been shaking their collecting boxes under the noses of the community for years, but that their first task now is to make sure that the people of the villages who use Puddletown's library know of the change of management and of the support the volunteer librarians need if they are to make a success of the venture.

The library was opened last week as a community venture by Kate Adie, formerly the

BBC's chief foreign correspondent, a vocal advocate of the importance of libraries. She praised the spirit and enthusiasm of the volunteers, as did West Dorset MP Oliver Letwin.

"I pay tribute to all those who have worked so hard to ensure that Dorset's village libraries have a future...I know of the heroic efforts that have been made in Puddletown. I join you in spirit as you celebrate this auspicious occasion."

## Local company extends its exports to Brazil

A DORSET company has sold two of its wood chippers to Brazil – the start of which Hardmet Landforce, based at Winfrith Newburgh, hopes will be the first of many overseas orders.

The two heavyweight Duo 235 wood chippers have been sold to a specialist wood company in Brazil. The machines, solidly-built and designed to last for years, were exported at the end of December.

Said David Trickett of Hardmet

Landforce: "These machines have one of the best reputations in the business.

"We have been looking at the international market for some time and we plan to make this the start of an export drive.

"Our range of machines are building a great reputation in the UK and we are now ready to develop our markets further."

# Steff wins county competition for logo

A 14-YEAR-OLD Dorchester girl whose design for a new logo won a county-wide competition was joined by her family for a day with Dorset Fire and Rescue.

Stephanie Hagan won the SafeWise competition to design a logo for the brand new charity.

The competition was open to local 13-21 year olds who were asked to convey the charity's key message – to educate Dorset residents and make them safer.

Steff's winning entry depicted a heart using a road (representing HealthWise and RoadWise) surrounded by flames (representing FireWise).

Part of her prize was to go, with her

family, to find out how the Dorset Fire and Rescue Service works and to view the FireWise education facilities at Weymouth Community Safety Centre. The family also meet Darren Gunter, DFRS Chief Fire Officer, and Councillor David Harris, the Chairman of SafeWise.

"We are delighted to be using Steff's winning logo for SafeWise and also to have her and her family visit us at Weymouth Community Safety Centre.

"The SafeWise logo has enabled us to bring our FireWise, HealthWise and other future education programmes together under one banner, and we are proud to be able to use the logo to fly the SafeWise flag across

Dorset and beyond," said Councillor Harris.

Steff said: "I had a great day out with DFRS. I had a chance to see the effect that opening a door can have upon a fire at the FireWise demonstration, and was really surprised by the amount of equipment that a fire engine carries."

SafeWise is a new charity based at Weymouth Community Safety Centre, delivering community safety education programmes such as FireWise and HealthWise to the local community, as well as providing a number of resources for community use including several lecture rooms, a café, a dance studio, and an IT suite.

# Christmas drink drive total goes down

FEWER Dorset drivers were arrested for drink-driving in the run up to Christmas, compared to the same period last year.

Between the start on the month and December 16th a total of 47 drivers were arrested, compared to 90 in the same period a year earlier.

Inspector Matt Butler, of the Dorset Po-

lice Traffic Unit, said: "It is encouraging to see that arrests have reduced compared to last year. However, people are still risking lives by drink driving.

"Uniform patrol officers have been working hard to target motorists suspected of driving while impaired, and hundreds of motorists have been stopped

and breath tested during this campaign so far.

"Motorists who drink and drive not only risk their own lives, but they also risk the lives of other innocent road users.

Dorset Police will continue to use information provided by the public to tar-

get suspected drink or drug drivers throughout their seasonal campaign.

Inspector Butler added: "I urge members of the public to dial 999 if they suspect someone is driving under the influence of alcohol or drugs, and please be assured that your details will remain anonymous."

## First aid training for business

■ DORCHESTER businesses get to grip with first aid training with trainer David Foster

DORCHESTER businesses have been training in life-saving first aid.

The training was organised by the Dorchester Business Improvement District (DBID) team and was co-sponsored by Everycare Wessex.

The workshop focused on life-saving techniques and what to do with the most common accidents, such as burns, shock, and fractures.

David Foster from Everycare presented to a packed house of local shops and businesses.

"Earlier in the year as usual, we asked the businesses of Dorchester what they would like us to organise in the way of training and we had several come up with First Aid. One Dorchester company, Everycare Wessex called me up to say they could put on some training and the result was yesterday's course. The

course was presented very professionally by David Foster of EW and the event was sponsored by Everycare Wessex and the Dorchester BID," said Phil Gordon from Dorchester BID.

"It was absolutely great with a sell-out attendance from businesses all over town. The feedback was so good, we are already talking

about having a second one in January or February."

Todd Moffat, owner of Taste cafe bistro, who attended the workshop with a colleague, asked if we could identify the places in town that currently have a A.E.D (Defibrillator) and wondered if the BID might fund one or two.

"We hope to do just this and

if we identify some areas of town that are without this life saving equipment then DBID will be looking into funding the purchase of some machines," said Mr Gordon.

BID levy paying business are being invited to contact the organisation if they would like to attend the next half-day course.

## Open day for marine warden volunteers

VOLUNTEERS who can help as volunteer wardens at the Dorset Wildlife Trust Marine Reserve at Kimmeridge are being invited to an open event this weekend.

The volunteers will be provided with the basic knowledge and skills needed to help visitors including topics such as the identification of rockpool animals, seaweed identification, marine conservation and coastal wildflowers.

A training course will also be offered on recording strandline creatures, rockpool creatures and spotting fluorescent sea anemones.

Wardens may also be asked to take part in surveys and research projects, join organised parties carrying out practical tests and to spread the conservation message at shows and in schools and at events.

The open session will be held at the Fine Foundation Marine Centre in Kimmeridge Bay this Saturday, January 12th, where you can meet the staff and volunteer wardens and find out more about what they do. For more information contact Julie Hatcher on 01929 481044 or email kimmeridge@dorsetwildlife.co.uk.

## Rudge Renewables

RUDGE Renewables is an ever changing company, we began installing solar PV over four years ago and since then our renewable energy repertoire has expanded hugely. We supply and install solar PV, solar thermal and wind turbines and also provide renewable heating via biomass boilers. Our staff are Hetas trained and accredited to install a selection of wood burning devices from simple room heaters to high powered biomass boilers.

Biomass systems are the perfect replacement for oil, LPG and electrical heating systems, allowing you to heat your home by a sustainable, low carbon and low cost fuel. Further to this any building heated by biomass which pays commercial "rates" will be eligible to claim the current renewable heat incentive (RHI) scheme. This means that you get paid "by the kWh"

to heat your building for the next 20 years. For domestic customers the RHI for you is planned to come into effect early 2013, but until then you can claim the £950 renewable heat premium payment for your biomass heating install. It's all looking good for Wood Pellet heating, especially as fossil fuels are suffering rapidly escalating costs.

We offer free no obligation surveys and advice and we look forward to your enquiries. Please call on 01297 306114 or visit our website at [www.rudgerenewables.co.uk](http://www.rudgerenewables.co.uk) for more information.

## Evergreen Renewable Energy

THE rise in fuel prices every few months is a reality that you can do something about. A good quality Solar PV system will significantly cut your electricity bill and customers benefit from regular payments from the FIT scheme.

Evergreen Renewable Energy have grown to be one of the leading solar PV installers in the South West. Jointly run by owners Ian Crabbe and Pete Amos from their offices and warehouse in Lyme Regis, they credit their expanding business to their focus on customer service and unrivalled prices.

"There are a great number of high-pressure, sales based solar PV companies out there, fitting sub-standard components and charging over the odds" observed Pete. " Ian and I ensure that we are fully conversant with the latest and most efficient products available. Our PV systems are individually designed for each property using high quality components and offered at extremely competitive prices.

We are very proud of our excellent reputation amongst all our local customers.

We are very 'user-friendly'; our survey of your property is relaxed and informal but you can be sure that our suggestions will be based on providing the most efficient system possible using industry leading products. The best news is

that you will find our prices amongst the lowest of any installer."

Evergreen include an Energy Performance certificate and a professional structural engineers report with every Solar PV installation carried out, as well as a comprehensive, insurance-backed warranty.

## Trading Standards check and approve businesses, so you don't have to...

For businesses you can trust, Buy With Confidence.

Visit [buywithconfidence.gov.uk](http://buywithconfidence.gov.uk) or call 08454 040506

ARE you worried about rip-offs and rogue traders? If so, Dorset County Council's Trading Standards Service can help identify reliable workers for the jobs you need doing.

More than 100 businesses across Dorset have signed up to the 'Buy With Confidence' scheme, giving local people a wide choice of established traders committed to fair trading and good customer service.

The scheme covers all kinds of work, from plumbing, heating and decorating to car sales and servicing and many other types of business from all over the county.

All members have been audited for their compliance with consumer protection laws, customer references and complaint procedures. In addition, criminal records checks have been undertaken for staff who work unsupervised in consumers' homes.

And it doesn't stop there – once a business becomes a member of the scheme they are constantly monitored by Trading Standards to make sure their standards aren't slipping. We ask their customers for feedback and keep in contact with the company regularly.

Principal Trading Standards Officer Jon Harris said: "Choosing a trader can be difficult, but Buy With Confidence can help protect local residents and support reputable traders at the same time. We know that that they follow consumer protection laws and are fair and honest because we check and approve these businesses so you don't have to."

For firms you can trust, look out for the Buy with Confidence logo, visit the website [www.buywithconfidence.gov.uk](http://www.buywithconfidence.gov.uk) or call 08454 04 05 06.

## Sherborne Turf

FROM our location in the picturesque village of Trent, Sherborne Turf has been supplying the gardeners of Dorset, Somerset, Hampshire and Wiltshire with quality lawn turf and garden products for over 35 years. Our turf is grown in high quality farmland which forms part of The Trent Estate, using a unique blend of grasses that will knit together to form a firm base, negating the need for potentially harmful netting that could pose a trip hazard and be costly to remove.

Supplying the local area with fresh turf cut to order, low 'turf miles' mean our grass is green in more ways than one!

At Sherborne Turf, our product range has expanded to meet the needs of our customers. Garden soils are stored under cover in winter ready for delivery in bulk bags, along with a variety of top dressing, bark, mulch and compost for the serious gardener.

Deliveries are made using our own fleet of vehicles and drivers experienced in the handling of turf and associated products. While the trade standard for deliveries is 'kerb-side', our drivers understand this is not always practical for your gardens, and so we will always endeavour to place your items as conveniently as possible for you, subject to suitable access.

All of the staff at Sherborne Turf have experience of the items we sell, so for assistance on any aspect of your garden project, please give us a call on 01935 850388. Office hours are 8am to 6pm Monday to Friday, and Saturday mornings during busy periods.

## Urashima Taro

*'A tragic and dreamlike fairytale for adults'*

INSPIRED by Japanese mythology, 'Urashima Taro' is a highly visual piece about power, seduction and death, with an underlying sense of humour. It fuses stunning visuals with human size Bunraku-style puppets, Kamishibai (a traditional form of paper theatre), video projection and shadow play. Throughout the production, puppet and actor combine to tell this fascinating story of lust, betrayal and loss.

In return for saving a turtle, a poor young fisherman, Urashima

Taro, is invited by the mysterious and captivating Lady Otohime, to stay in her palace under the sea. Promises of a life of eternal pleasure slowly turn into a nightmare as Urashima Taro's fate unfolds. Set on the borders between animated and inanimate, 'Urashima Taro' is a waking dream that stirs the imagination and transforms matter into flesh.

Rouge28 Theatre is a company of international theatre artists based in London. Their work fuses puppetry and performing arts to produce original and in-

triguing visual theatre. Bob Frith, artistic director of the award-winning company 'Horse and Bamboo Theatre', has mentored Urashima Taro. Don't miss the opportunity to see this mesmerising production as Rouge28 make their debut appearance on the Artsreach circuit for just one night this spring.

Rouge28 Theatre will bring their production of Urashima Taro to West Stafford Village Hall on Sunday, January 20th from 7.30pm. For more details call 01305 257266

'Persona' by Peter Hand

## Peter Hand's Repository of Dreams

IN THE dark days of January come and explore the unique world created by sculptor Peter Hand and his 'Repository of Dreams' in a special exhibition at Bridport Arts Centre.

These are not sculptures in the conventional sense, nor will this be a traditional exhibition. The theatre at the Arts Centre will be transformed into a labyrinth of glass-fronted cabinets each containing a highly detailed scene, quite like a theatre set, full of mysterious, beguiling and at times disturbing characters.

These characters explore aspects of Jungian psychology, as experienced by Peter Hand, who lives in Marshwood and who has been creating these pieces over a period of more than 30 years. They are full of symbolism, mythology, illusion and allusion and are sure to generate lots of discussion.

Arts Centre Director Polly Gifford said "When I first saw these works at Peter's studio I was amazed by the level of craftsmanship and attention to detail. Then as I looked more closely and was drawn in by the themes and the questions raised, I realised what an incredible

body of work this was and became determined to find a way to show the sculptures at the Arts Centre. The gallery wasn't the right place for them. They are highly theatrical and so the theatre was the obvious choice."

The exhibition will be on for one week only, with an entry fee of £3 (£2.50 for BAC members & concessions).

## Citroën launches new DS3 red special editions

- Citroën announces new DS3 DStyle Red & DSport Red special editions
- Available in Polar White or Perla Nera Black with exclusive 'Red Touch' interior & exterior
- New Red special editions emphasise DS3's styling & desirability
- Additional equipment specified as standard

CITROËN has launched an exciting range of DS3 Red special editions for the New Year. The new models are based on DS3's existing DStyle and DSport trim levels, with exclusive styling cues and additional standard equipment. The special edition DS3 Red range is

available now, priced from just £15,655.

### A touch of red

Complementing the Polar White or Perla Nera Black body colours, all DS3 Red models come with an exclusive 'Red Touch' interior and exterior pack, which includes a 'Sport

Red' roof and door mirrors. Also specific to the Red range is the striking 'Sport Red' finish to the front grille and chevrons. Inside, the vibrant red customisation continues with a matching red dashboard and door handle surrounds.

Matching the exterior body colour chosen by the customer, DS3 Red models come with white or black 16-inch 'Ashera' alloy wheels on DStyle Red models and white or black 17-inch 'Bellone' alloys on DSport Red versions. All wheels come complete with 'Sport Red' centre caps.

### Special editions offering more

DS3 DStyle Red models are available, as standard, with Citroën's 'Connect Signature' pack, which includes Bluetooth® and USB connectivity, plus an enhanced Hi-Fi system and additional speakers for superior sound quality.

The 'City Signature' pack, which comes as standard on DSport Red versions, consists of automatic headlights and wipers, rear parking sensors, electric heated and folding door mirrors, an electrochrome rear view mirror, interior mood lighting and a front central armrest. All DSport Red versions are also specified, as standard, with Bluetooth®, USB connectivity and the same enhanced Hi-Fi system as specified in DStyle Red.

### Engine options & prices

DS3 DStyle Red is available with either a VTi 120 petrol engine or an e-HDi 90 Airdream diesel engine that produces just 98g/km of CO<sub>2</sub>. The DS3 DSport Red is powered by a THP 155 petrol engine, with a 6-speed manual gearbox, or an e-HDi 115 Airdream diesel, also with a 6-speed manual transmission.

MAGPIES AND TERRAS

# Magpies suffer second late setback

DORCHESTER TOWN 2 HAYES &amp; YEADING 2

Blue Square South - att: 403

FOR the second time in five days Dorchester Town conceded an added time equaliser that has left them back in the relegation zone.

Two goals up with ten minutes left, two defensive errors saw the Magpies throw away another two points following Truro City's last gasp equaliser on New Year's Day, and although they have at least two games in hand over every side in the league they need to get back to winning form soon.

Clearly the better side in the first half they only had a Pedro Monteiro own goal to show for their efforts. The visitors came out with renewed vigour after the break and held sway for a lot of the second half but the Dorchester defence held firm, and when Ben Watson put them further ahead on 77 minutes it looked as if they had sealed the points.

However Jamal Lowe who came on as a substitute just before the break pulled one back three minutes later, and then earned the Mushrooms a point in added time.

The Magpies almost took the lead on seven minutes when Richard Logan nodded down a long cross into Watson's path but Adam Bygrave pounced to block his attempted close range shot.

Watson then turned provider when he got to the byeline before cutting the ball back to Jamie Gleeson, but his low 20-yard left foot shot passed just inches wide of the far upright.

Despite Kudud Oyenuga's hard work leading the line, Hayes and Yeading were having trouble getting close to the home goal. He was however left holding his head after he beat Magpies keeper Jason Matthews attempted punch to Daniel Wishart's 20th minute free kick, but his header went wide.

Back at the other end Ashley Nichols who once again pulled Dorchester's strings in midfield, put Logan in near the right byeline. Sam Malsom met his

measured cross on the volley but his shot just cleared the bar.

Watson and Logan who were together at Exeter City showed they had not lost their understanding by linking up well, with Logan giving his teammate valuable assistance in the air against the strong defensive combination of Bygrave and Monteiro.

It was ironic therefore that when Logan's header released Watson down the left channel that his low driven cross should be turned into his own net by Monteiro as he sliced his clearance to give the Magpies a 26th minute lead.

The visitors responded with a long range effort from Tom Cadmore that flew over the top, whilst Coskun Ekin, despite his quick feet, couldn't shake off the home defenders as he tried to make room to get in a shot and was finally blocked out.

Dorchester almost increased their lead following a superb three man move on 44 minutes which was halted by a brilliant tackle from Wishart just as Nichols was about to pull the trigger.

Then deep into added time the roles were reversed when Logan's poor cross-field pass was cut out by Wishart on the halfway line. He looked certain to score before Nichols appeared out of nowhere to produce a magnificent tackle as he lined up his shot.

Hayes and Yeading quickly settled down after the break and on 55 minutes finally produced their first real effort on goal, but Oyenuga's low 20-yard shot went wide of the far upright.

Watson then set up Logan with a cut back from the byeline but his shot from the edge of the box just cleared the far post.

The visitors were now beginning to show a lot more intent with Lowe's speed causing problems, but they could not breach the Magpies defence, whilst the hosts continued to create opportunities.

Malsom cleverly turned and flicked

the ball over his marker Daniel Braithwaite but his volley was straight at keeper Brandon Hall who then denied Watson a goal with a superb save.

Logan put in his fellow striker who dummied Bygrave, but Hall stuck out his right leg to divert his angled drive away from goal.

On 76 minutes Watson was once again denied by Hall who was quick to cover his near post. A minute later he got his reward however when he collected another through ball and drove it firmly

■ HEADING WEST: Jamie Symes is off to Bridport on loan (see backpage)

across the Mushroom's keeper into the far corner.

It seemed game over but three minutes later Hayes pulled one back. Matthews seemed to have claimed a fairly innocuous ball played into the area but it squirmed out of his grasp and Lowe was on hand to steer it into an empty net.

Tails up, Hayes looked for an equaliser and with panic spreading in the Magpies defence they pushed forward.

In the last minute of normal time Bygrave struck the angle of the goalframe with a header from corner,

The visitors claimed a point when Charlie Clough missed his tackle on sub Callum Butcher and the ball ricocheted to Lowe who rounded Matthews to slot home the equaliser.

## Magpies suffer added time agony

DORCHESTER TOWN 2 TRURO CITY 2

DORCHESTER suffered added time agony in their first game for two weeks and are looking for their first win since mid November after Truro City captain Jamie Ash smashed home a equaliser to salvage a point for the Cornishmen.

The Magpies had recovered from going a goal behind to lead with strikes from Dan Thompson and Ben Watson and when Marcus Martin was sent-off three minutes from normal time for a second yellow card, it looked like they might claim all three points.

However with the clock ticking down Truro made one final effort and when the ball found Ash 12 yards out, he controlled it before smashing it beyond Jason Matthews.

Former Plymouth Argyle keeper Luke McCormick was soon in action tipping Thompson's header over the bar from Nick Crittenden's cross, before fellow Portsmouth loanee George Colson and skipper Mark Jermyn went close.

Truro almost stole the lead soon after when Nathan Walker was forced to hook the ball clear of an open goal after Andy Walker had lobbed Matthews before Thompson gave Dorchester the lead on 20 minutes when he glanced home another Crittenden cross.

The Timmen equalised just before the

break when Watkins dispossessed Jamie Symes and set up fellow striker Kieffer Moore to fire beyond Matthews, and could have gone ahead had Crittenden not cleared another Moore effort off the line.

The second-half became a little tetchy with the referee handing out a number of bookings, but eventually Dorchester nudged ahead on 75 minutes when Ben Watson, who seeing his first effort blocked by Ash, followed up to score off the underside of the crossbar.

However Ash's late blast saw Dorchester drop two valuable points.

## Terras get the New Year blues

BIDEFORD 2 WEYMOUTH 1

EvoStik Premier - att: 373

WEYMOUTH'S superb Evo-Stik League South Premier Division six match winning streak came to an abrupt halt in North Devon when a lack-lustre performance saw them downed 2-1 at Bideford on New Year's Day.

After a goalless first-half with very little action, it was the Robins who took the lead just after the hour when Matt Andrew scored with a superb volley after controlling the ball on his chest and turning on the edge of the penalty area.

Soon after Ashley Wells hacked the ball off the line, but Scott Walker got the Terras back on equal terms five minutes later when he beat keeper Paul Hider after sub Dan Smith had set him up.

It looked as if the Terras would take a point home despite a below par performance but keeper Simon Evans lost the ball trying to dribble past striker Kevin Squire and Andrew pounced to clinch the points.

The Robins might have increased their lead but Richard Groves swerving shot rebounded off the crossbar.

## Cricketers dust off cobwebs

PORTRLAND Red Triangle cricketers will begin their preparations for the 2013 campaign this Sunday (January 13th) at the Osprey Leisure Centre 11am to 1pm.

The sessions will combine nets with drills and practice to ensure that come the start of the season all players will be prepared for what promises to be an exciting summer.

All players old and new will be welcome and the cost will be £3 per session.

Head coach Gary Randell emphasised the need for all players to get into shape and be well prepared for the coming season: "We had a fair amount of success last year with the Sunday 1sts being crowned champions in their league and the Saturday Seconds gaining promotion."

"The groundwork for these successes were laid down over the pre season net/training sessions and I hope that we can, as a club, continue to build on this. This can only happen if all players make an effort and fully commit."

### DORCHESTER & DISTRICT BOXING CLUB

# Boxers enjoy fun away from the ring

■ DOR'LYMPICS: Members pose with one of the Olympic torchbearers

MEMBERS of the Dorchester & District Amateur Boxing Club enjoyed some activities away from the gym and ring over the Christmas period.

Some took part in the Christmas Day Harbour Swim at Weymouth that attracted 239 swimmers, where they were sponsored to raise funds for the clubs.

Coach Ben Geyser, a spectator at the harbour side said: "I truly applaud all those who took part. The water was supposed to be acceptably warm and the weather was sunny, but no one emerged from the water looking comfortable."

Members also took part in the Dor'lympics held in the Kings Road Playing Field where they came a creditable fourth out of the fifty clubs from the surrounding area who were invited.

Among the organised events were Dorset Knob throwing, Ultimate Frisbee, Wellie Wanging, Change of clothes obstacle course, Tug-o-War, Volley Ball and Penalty Shoot out.

Sporting officer Sarah Davies helped members of the Dorset Youth Association who organized the successful event with help of Emma Brown.

## DORSET FOOTBALL ROUND-UP

WITH WILL MOWBRAY

### Dorset Premier League

#### Wareham Rangers 3 Portland Utd 3

THE ISLANDERS stay top of the premier league on goal difference despite only taking a point at Wareham.

This after being three up at the break with strikes from Adam Smith in the 20th and 25th minute, and Adam Linaker in the 35th minute.

Wareham Rangers must have had a stern team talk at half-time as they took the game to Portland in the second period and scored three themselves, with their goalscorers being Steven Yeates, with two in the 51st and 69th minutes and one right on time from Michael White.

The Bulls stay in second spot after their victory Poole.

#### Holt Utd 3 Poole Borough 0

SEAN GALLAGHER grabbed a hat-trick to take all three points to keep Holt United hot on the heels of Portland Town.

This was the Hornets fourteenth defeat and leaves them two points adrift at the foot of the table.

### Senior League

MERE TOWN moved nine points clear at the top of the Senior League following their 6-1 win against Okeford United with their goalscorers being Scott Martin (3), Gavin Bendell (2) and one for Ryan Hughes.

Gillingham Town lost ground on the leaders when they could only force a 2-2 draw at Sturminster Newton with both the hosts goals coming from Matthew Jordan.

Witchampton United won for the seventh time this season when they defeated their Blandford United 5-0 to move up into third place but games in hand on the two sides above them mean they could go even higher.

Sturminster Marshall stay at the foot of the table despite their 4-3 win at Portland with their marksmen being Erkan Mete, Richard Davies, Tim Little and Matthew Swindlehurst while netting the Portland consolation goal were Ben Turner, Dan Skelton and an own goal by Erkan Mete.

A single goal by Leo Hayward was enough to give Westland Sports all the points on their trip to Weymouth Sports

to move his side up into the top six.

The highest score of the day was Upwey & Broadway as they scored seven against Piddlehinton United who replied with one.

On target for Upwey were Charlie Kenderdine and Ethan Devaney both netting a brace and there were one each for Ty Young, Richard Frost and an own goal.

### Division One

CORFE MULLEN United maintained their lead at the top to six points following their 3-0 win against third placed side South Cheriton.

The United goals came from Jack McGann (2) and one from Mike Corbet. Corfe Mullen have not conceded a goal in their last nine league games, which typifies why they are tipped to gain promotion. This was South Cheriton's first defeat of the season and they slip down to third place.

Milborne Sports moved back into the top two following their 3-2 win against the Kangaroos. This after being two down at one stage with their marksmen being Carl McClements, Craig Bridle and Karl Dean while netting for the Kangaroos was Luke Gatehouse and Richard Beasley.

Bere Regis moved up into fourth place thanks to an 8-0 win against their visitors Bridport A with their strikes coming from Graeme Rose who scored an amazing six goals and one each for Matt Elford and Sean Cooper.

Swanage Town & Herston Reserves won their fourth game of the season out of only six they have played when they defeated their visitors Poundbury Rovers 6-2 with their goals coming from Liam Currell (2) and one each for Marvin Mutanga, Ryan White, Jack Hector and Charlie March.

### Division Two

A TWO-ALL DRAW was enough to see the Balti House move into top spot on goal difference after they were held by Shaftesbury with their marksmen being Marco Knott and Sean Hawke.

AFC Cobham slip down to second spot after their 4-2 defeat by Dorchester Sports who stay in third spot. Getting on the score sheet for Cobham were Kevin Hoare and Lee Green.

Weymouth Spartans stay in fourth place after their 5-1 win at Corfe Castle with their strikes coming from Kieron

Howes (2) and one each for Damien Walsh, Campbell-Bell and Marcus Simpson, while scoring the Corfe consolation goal was Ryan Norman.

The Ship Inn Wool won their first league game for 13 months when they defeated Portland Town 2-1 with their goals coming from Ashley Hayes and George Towers while getting on the Portland score sheet was Teejay Smith-MacFarlane. This result moves Wool off the foot of the table which means Portland slip into to that position as they still search for their first win this season.

Gillingham Town A stay in mid-table after their 4-1 victory against Donhead United with their marksmen being Reece Foster (2) and one each for Alex Yeoman and Mark Champion.

### Division Three

LYTCHETT RED TRIANGLE moved back to the top of division three on goal difference and made it eight wins out of eight following their 4-0 win at Sturminster Marshall with their strikes coming from Sam Keeffe (2) and one each for James King and Ryan Cattano.

# Unfortunate déjà vu leaves Simkin simmering

MAGPIES' manager Phil Simkin could not believe he had just witnessed a repeat of his side's demise after Hayes and Yeading grabbed an added time equaliser and a share of the points at the Avenue Stadium on Saturday.

Two goals up with ten minutes left Dorchester Town appeared to be coasting to victory when poor defending allowed Jamal Lowe to strike twice to earn his side a draw, just four days after Truro City had done the same by equalising with almost the last kick of the match.

Simkin was scathing of his side's late capitulation calling it "inexcusable".

"Up until the last 10 minutes, it was probably our best performance of the season and we lost it because experienced defenders switched off when the ball was at the other end of the pitch. Truro on Tuesday was bad enough but that was inexcusable."

"I thought it was almost our best first half of the season but as per usual we don't score enough goals, although we had enough chances."

"It puts us in a position where we are vulnerable. We had chances to score a third and we didn't take them and that's the reason why we've dropped four points at home."

"It was the same on New Year's Day. We had

chances to score a third then and we didn't, and the upshot is that we have dropped points at home."

"It was a good finish by Ben Watson for our second goal and that should have been game over. I couldn't see them scoring; I just couldn't see it happening."

Simkin did acknowledge the contribution of Richard Logan and Ben Watson who played together at Exeter City.

### Final game

"They did well together. Richard was picking up the holding midfield player and then moving forward to join in which worked very well, and I don't know another striker who works his socks off like Ben every week."

The game signalled Jake Gosling's final game for the Magpies after his loan spell from the Grecians.

"I wish Jake could have gone out with a winning performance," said the Magpies boss who confirmed the talented youngster had been offered a two-year professional contract by his parent club on his re-

turn.

"He's done very well for us and gone back a much better player than he came, so both clubs have had a good deal. He's a lovely lad and has come on in bundles since being with us."

"We've got a very good relationship with Exeter and particularly Steve Perryman, and we're very grateful to them and wish Jake all the best."

Gosling has cemented his place in Dorchester Town's history whilst at The Avenue by scoring the goal that knocked Plymouth Argyle out of the FA Cup, their first victory over league opposition.

"We've got a very good relationship with Exeter and particularly Steve Perryman and we're very grateful to them and wish Jake all the best."

### option

Jamie Reid who was on loan at the beginning of the season has now broken into the first team squad, and Simkin confirmed there is also an option on another forward that he will be looking at this week.

Simkin also revealed exclusively to View Sport that former Bee Jamie Symes is to join his former club on a month's loan.

A deal was struck with Bridport boss Trevor Senior over the weekend and the paperwork is to be com-

pleted this week.

"Jamie is not playing regularly in the first team at the moment and needs a run of games to help him challenge

again, and he will get that at Bridport."

"I know both Jamie and Trevor are happy with the situation, so hopefully it will work out well for all parties."
